Advice and compensation:

FAIRWINDS.blue is a specialist in charter
insurance. For the charter insurance policies we
develop and offer, we have been able to agree
on extensive signing powers with the respective
insurers in the interest and benefit of our
customers. All your declarations and
communications to FAIRWINDS.blue are deemed
to have been "received by the insurer". Premium
payments to FAIRWINDS.blue are deemed to
have been received by the insurer.

We only offer our own, self-developed coverage
concepts, which are supported by well-known
German insurers. The exception is international
health insurance, where we offer an excellently
tested and proven product. We do not offer
products from other insurers or other insurance
lines.

Our advice complies with legal requirements. In
return, we receive a commission from the
(re)insurer for successfully brokering an
insurance contract. This commission does not
have to be paid to us by you, but is already
included in the insurance premium. We do not
receive any further compensation for brokering
insurance products.

Arbitration board:

If you are not satisfied with our services, please
let us know! We do everything in our power to
